Designed to Delight

Freedom on the outside, tranquility on the inside; this essentially describes Utamara's unique living concept. In one block, a rooftop recreational space invites residents to wile away the hours with leisure facilities. In the other, an inner sanctum with spa-like features for those seeking private, intimate relaxation. All protected by a multi-tier security system with CCTV at perimeter fencing, 24/7 security guard patrols, card access system at guard house and lift, and internal home security system in every home.

Outdoor excitement, indoor relaxation - the best of both worlds

Your very own Onsen

When things get overwhelming, it's nice to have a quiet place to retreat to. Wash away worries and soothe your senses at Utamara's private, by-reservation-only onsen (hot bath). Tune out of the noise of the city, turn down the hustle and bustle, and immerse yourself in cleansing, healing waters that will leave you refreshed and reinvigorated.

The podium located at the ground floor is home to various welcoming facilities. A signature gym equipped with all manner of exercise equipment is ready for your daily health regimen. A pool sits close by, ideal for a quick dip or to simply lounge by. Last but not least, a quaint playground is ever-ready for kids to be, well, kids.

Private Farm to Plate

A rooftop isn't just a rooftop at Utamara; it's a place where life blossoms – literally. Harvest your own edible plants from the herbs garden and private roof farm, and make them part of your cookout at home, or in the panoramic BBQ garden. Or take your entertaining to the next level with a splendid multi-purpose venue that comes with an adjoining kitchen; perfect for parties, celebrations and any occasion worth making memorable.

A modern rooftop terrace featuring a swimming pool, lounge furniture, and a multi-story building in the background. The terrace is furnished with a large orange sofa, a wicker chair, and a round coffee table. There are also lounge chairs and an umbrella near the pool. The background shows a cityscape and mountains under a blue sky with clouds.
